ABOUT FOUNDATION

Dr. Vithalrao Vikhe Patil Foundation was established in 1982. To fulfill the visionary thoughts of Padmashree, his worthy son Late Hon. Dr. Balasaheb Vikhe Patil (Padmabhushan Awardee), Former union minister, Govt. of India, has started number of institutes in rural area in the field of Engineering, Management, Agriculture, Pharmacy and Medical Sciences.

INSTITUTIONAL PROFILE

Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy was established in 1994, with a 4 year degree course in Pharmacy (B.Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Science to the future pharmacist. At present the institute also offers post graduate course M.Pharm (Pharmaceutical Chemistry, PQA, Pharmacology & Pharmaceuticals) and Ph.D. research Program in Pharmaceutical Chemistry.

THEME

Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy is conducting Faculty Training Program "Hands on Training on discovery microwave synthesizer and FTIR spectrophotometer with Introduction to benchtop NMR spectrophotometer".

This program intends to bridge the gap between academic training and industry needs in the area of pharmaceutical sciences. It is designed to train postgraduate students, researchers and academicians. The tentative program consist of lectures and hands on practical which is intended to provide a clear understanding of theory, research techniques and methodologies involved in organic synthesis and structural elucidation.

Participants will explore the training sessions on instruments like discovery microwave synthesizer and FTIR spectrophotometer with introduction to benchtop NMR spectrophotometer. This program will provide immense practical knowledge about advance discovery microwave synthesizer and FTIR spectrophotometer which set a platform those who wants to work in the area of drug discovery.

OBJECTIVES

- To provide hands on training on Discovery Microwave synthesizer and FTIR Spectrophotometer
- To train the participants for essential knowledge required in the area of Drug Discovery process.
- To impart skill to handle sophisticated Instrument.
- **ELIGIBILITY**
Faculty and Research scholar

IMPORTANT INFORMATION

- Maximum 40 seats limited.
- Registration fees - Rs 200 (Including lunch) .
- Certificate of participation will be provided to registered candidates
