ORGANIZATION OF WORLD WETLANDS DAY

A wetland is an area of land where water covers the soil - even for only part of the year. They can be natural or artificial. The water in them can be still or flowing, fresh, salty or in-between (brackish). Wetlands are found in all kinds of places - along the coast, in the mountains, in dry inland areas, even underground.

- In the 1960s, people were worried about the loss of wetlands and waterbirds (such as ducks and swans) occurring in Europe. This led to the first international conservation agreement.
- On 2 February 1971 the Convention on Wetlands of International Importance was signed, in Ramsar, Iran. This is why the agreement became known as the Ramsar Convention.
- World Wetlands Day is celebrated on 2 February every year, to mark the signing of the Ramsar Convention. The Ramsar Convention aims to halt the worldwide loss of wetlands and Australia is a signatory to the Convention. Australia designated the world's first Ramsar site, Cobourg Peninsula in the Northern Territory in 1974.

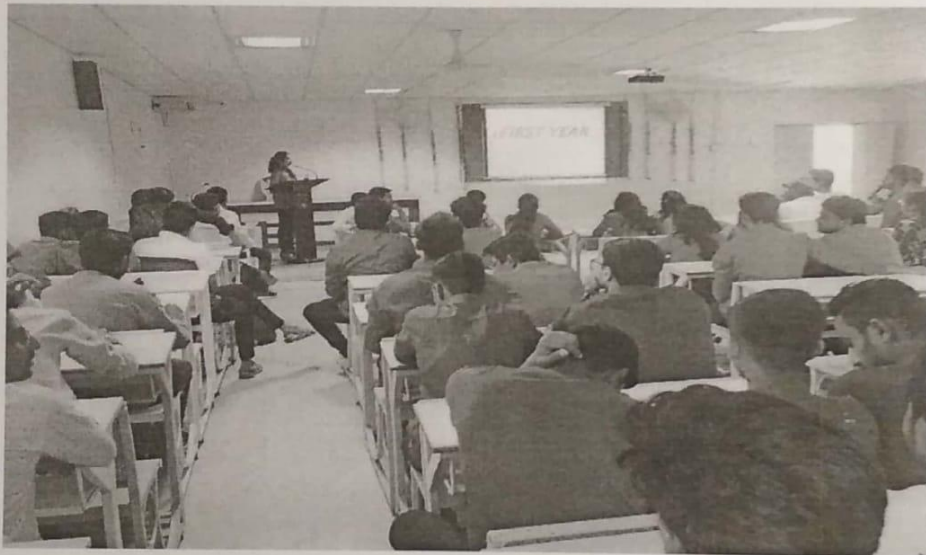

ORGANIZATION OF WORLD WETLANDS DAY

- Dr.V.V.P.Foundation's College of Pharmacy Ahmednagar has organized World Wetlands Day. Principal Dr. P.Y.Pawar sir has given information regarding need of World Wetlands Day. They had given the information to the students about historical background behind organization of World Wetlands Day. The international theme of WWD-2020 is "Wetlands and Biodiversity," which draws attention to the fact that 40% of all species live or breed in wetlands and wetland biodiversity matters for life to thrive. Safeguarding biodiversity in all its forms is now as urgent as tackling climate change. On this occasion many of our students also expressed their views on current situation of water conservation, pollution level, need of biodiversity guarding etc. On this occasion college has organized various activities like pledge taking ceremony in which students had taken the pledge of conservation of water, quiz competition etc. The teaching and Non-teaching staffs attended this programme. Total 150 students Participated in this programme.

The details of Programme are as follows:

Date: Thursday, 17 October, 2019, 05:06 pm IST

Dear Sir/Madam,

Greeting from All India Council for Technical Education...!!

Central Vigilance Commission (CVC), the apex integrity institution of the country which endeavours to promote integrity, transparency and accountability in public life has decided that this year Vigilance Awareness Week be observed from 28th October, 2019 to 2nd November, 2019 with theme "Integrity - a way of life". The Commission has desired that concerted efforts be made to reach out to all institutions and students who have an important role to play in promoting integrity as well as in eradication of corruption. Encouraged by the response of activities during past years, the Commission this year has also chosen to accord greater focus on activities such as lectures, panel discussions, debates, quiz, essay writing, slogans/elocution/cartoon competitions on moral values, ethics, good governance practices etc. so as to generate healthy debate on the ill effects and prevention of corruption and for ensuring active participation of students of schools/colleges including professional colleges /institutions across the country.

In addition, the Commission has also envisaged a concept of "Integrity Pledge". As such the Integrity Pledge is available, for enlisting support and commitment of the citizens (Annexure 'A'). The online "Integrity Pledge" is available on the CVC's website <https://www.cvc.nic.in>.

It is requested to make renewed and concerted efforts towards disseminating and publicizing the "Integrity Pledge" amongst all employees, students, their families/stakeholders/citizens etc. so as to elicit wider participation on the initiative of Integrity Pledge of the Commission.

It is expected to conduct the various activities with zeal and enthusiasm to achieve the Commission's objective to eliminate corruption in public life.

Looking forward to active participation of your institutions in this national endeavour against corruption. It will be highly appreciable if a report on the observance of the week is sent to AICTE by 20th November, 2019 in CVC prescribed format on email id vigilance@aicte-india.org.

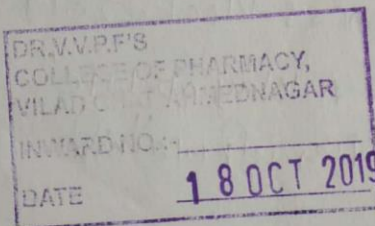

In view of the above, please find attachment OBSERVANCE OF VIGILANCE AWARENESS WEEK-2019, THEME "INTEGRITY-A WAY OF LIFE".

He often said that his philosophy of satyagraha was a reflection of the basic quality of Kasturba's character, that she practised satyagraha in her own person.

He said, "I learned the message of Non-Violence from my wife Kasturba". She was not only a witness to all Gandhiji's experiments with truth, she also became a full partner in all his political, social and spiritual struggles. Mahatma Gandhi could not have been complete without Kasturba. "Without her, I could not have succeeded in my striving for ahimsa and self-discipline", he said, "She understood me better than anyone else."

After Kasturba's death, replying to the condolence letter of Lord and Wavell, Gandhi wrote, "I feel the loss more than I had thought I should. We are couple outside the ordinary. It was in 1906 that after mutual consent and after unconscious trials we definitely adopted self-restraint as a rule of life. To my great joy this knit us together as never before.
