JOURNAL CLUB Guidelines

A **journal club** is a group of individuals who meet regularly to critically evaluate recent articles in the academic literature, such as the scientific literature, medical literature. Journal clubs are usually organized around a defined subject in basic or applied research. Typically, each participant can voice their view relating to several questions such as the appropriateness of the research design.

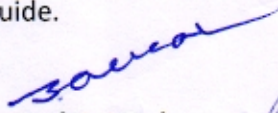

Journal club helps to make the students become more familiar with the advanced literature in their new field of study. In addition, these journal clubs help improve the students' skills of understanding and debating current topics of active interest in their field.

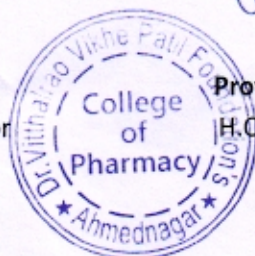

PURPOSE

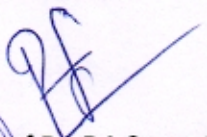

- To develop skills in research article analysis
- To improve communication skills.
- To increase knowledge on topic of interest.

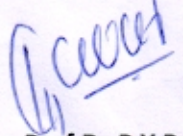

GUIDELINES TO STUDENTS:

- a. The Student should discuss the publications proposed (journal club topic) with the concerned guide allotted to them.
- b. The student should do survey of literature and collect a set of relevant publications.
- c. The Student shall discuss (Group Discussion) the article of journal club allotted to them in presence of their guide. Students are encouraged to read the relevant review of literature and to develop the understanding of the subject.
- d. Students should prepare summary report of the research article and submit to concerned guide.

ABOUT FOUNDATION

Dr. Vithalrao Vikhe Patil Foundation was established in 1982. To fulfill the visionary thoughts of Padmashree, his worthy sone Late Hon. Dr. Balasaheb Vikhe Patil (Padmabhushan Awardee), Former union minister, Govt. of India, has started number of institutes in rural area in the field of Engineering, Management, Agriculture, Pharmacy and Medical Sciences.

INSTITUTIONAL PROFILE

Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy was established in 1994, with a 4 year degree course in Pharmacy (B.Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Science to the future pharmacist. At present the institute also offers post graduate course M.Pharm (Pharmaceutical Chemistry, PQA, Pharmacology & Pharmaceutics) and Ph.D. research Program in Pharmaceutical Chemistry.

THEME

The event 'PHARMA-TECH FEST' stands as an efficacious platform involving the young minds towards research, innovation and entrepreneurship. It intends to bring the solidity of the students towards both industrial and academic aspirations as it features itself as an essential guide to promote a shared vision and understanding towards scientific endeavor and curiosity. This even will also help for students preparing for various competitive examinations viz. G-PAT, NIPER, Central Govt. Exam etc...

Importance: High

Discussed with Mr. J D Joshi. He said as per the practice, visit at PTN is not possible. Chitegaon expansion project activities are going on. That leaves us with Chikalhana option only. That being the old plant, there is nothing much to be shown.

Please think it over and let me know. I will, then, talk to Plant Head of Chikalhana, Mr. Nemade.

Regards,

Thampy
