**Savitribai Phule Pune University Sponsored**  
**State Level Seminar on**

**ADVANCED ANALYTICAL TECHNIQUES AND QUALITY CONTROL: AN APPROACH TO EVALUATION OF BOTANICALS**  
 11/02/2018

**Organized by**  
**Padmashree Dr. Vitthalrao Vikhe Patil Foundation's College of Pharmacy**  
 Ahmednagar-414 111 (M.S.) INDIA

*"We Pharmacists Caring The People Globally"*

**OBJECTIVES**

- To orient teachers and students learning areas of pharmacognosy and phytochemistry.
- To train teachers and students in the current trends of herbal formulations, drug delivery system and standardization.
- To have deliberations on the advances in herbal drug industry and advanced analytical techniques in pharmaceutical field.
- Evaluation of efficacy and quality of traditional medicine. Also emphasis is given to the classical pharmacognosical and phytochemical approaches dealing with different aspects of quality control and standardization using advanced techniques.

**ABOUT FOUNDATION**

Padmashree Dr. Vitthalrao Vikhe Patil Foundation was established in 1982. To surmount the visionary thoughts of Padmashree, his worthy son Hon. Dr. Subhash Vikhe Patil (Panchbhawan Awarded). Former union minister, Govt. of India, has started number of institutes in rural area in the field of Engineering, Management, Agriculture, Pharmacy and Medical sciences.

**INSTITUTIONAL PROFILE**

Padmashree Dr. Vitthalrao Vikhe Patil Foundation's College of Pharmacy was established in 1994, with a 4 year bachelors course in Pharmacy (B.Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Science to the future pharmacist. At present the institute also offers Post Graduate Course M. Pharm. (Pharmaceutical Chemistry, QAS, Pharmacology & Pharmacokinetics) and Ph.D. research programme.

**THEME**

Analysis of efficacy and safety of herbal products is of a prime importance as far as concerning to quality of drug. Natural product analysis plays important role to check authenticity, purity and potency of crude drugs.

Standardization of plant based medicinal products has remain always challenging for number of reasons. Various analytical techniques such as GC, TLC, HPLC, GC, MVR have been employed for herbal drugs. This seminar is conducted to discuss the use of these techniques in standardization of herbal drugs. Study of evaluation parameters for quality control of crude drugs is also covered in this seminar. Studies of medicinal herbs, their extracts and polyherbal formulations under each technique should be discussed in order to broaden the knowledge base of teachers and students.

**SCHEDULE**

09:30 to 10:30	Registration & Break-Fast
10:35 to 11:00	Inauguration
11:05 to 11:30	Key Note
11:35 to 01:00	Session I
01:00 to 01:45	Lunch Break
01:50 to 03:15	Session II
03:15 to 03:30	High Tea
03:35 to 05:00	Session III
05:00 to 05:30	Vote of Thanks

Registration Fee : Rs. 200/-  
 Outside Delegate : Rs. 150/-

 "We Pharmacists Caring The People Globally"

**ABOUT FOUNDATION**  
 Padmashree Dr. Vikhe Patil Foundation was established in 1982. To fulfil the visionary thoughts of Padmashree, the worthy son Hon. Dr. Balasaheb Vikhe Patil (Padmashree Vikhe Patil Foundation Assn.), Former union minister, Govt. of India, has started number of institutes in rural area in the field of Engineering, Management, Agriculture, Pharmacy and Medical Sciences.

**INSTITUTIONAL PROFILE**  
 Padmashree Dr. Vikhe Patil Foundation's College of Pharmacy was established in 1984, with a 4 year degree course in Pharmacy (B.Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Science in the future pharmacist. At present the institute also offers Post Graduate Course M.Pharm (Pharmaceutical Chemistry, QA, Pharmacology & Pharmacokinetics) and Ph.D. research programme.

**THEME**  
 Drug design, referred to as rational drug design, is the inventive process of finding new medications based on the knowledge of a biological target. This drug design involves the design of molecules that are complementary in shape and charge to the biomolecular target with which they interact and therefore will bind to it. This workshop is focused on the role of bioinformatics in design of new drugs. Understanding various drug targets, their biochemical features, physiological & pathophysiological roles, along with biotransformation of pro-drugs and significance in drug design are to be covered in this workshop. Demonstration of drug design softwares and lectures of eminent personalities would broaden the knowledge base of teachers and students.

**SCHEDULE**

09.30 to 10.30	Registration & Breakfast
10.30 to 11.00	Inauguration
11.00 to 12.00	Session-I
12.00 to 01.00	Session-II
01.00 to 02.00	Lunch Break
02.00 to 03.30	Demonstration of Drug Design Software

**ABOUT FOUNDATION**

Dr. Vithalrao Vikhe Patil Foundation was established in 1962. To fulfil the visionary thoughts of Dr. Vithalrao Vikhe Patil, his worthy son Hon. Dr. Balasahab Vikhe Patil (Rajadacharan Anandee), Former Union Minister, Govt. of India, has started number of Institutes in rural areas in the field of Engineering, Management, Agriculture, Pharmacy and Medical Sciences.

**INSTITUTIONAL PROFILE**

Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy was established in 1964, with a 4 year degree course in Pharmacy (B.Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Science to the future pharmacist. At present the Institute also offers Post Graduate Course M.Pharm (Pharmaceutical Chemistry, QAT, Pharmacology & Pharmaceutics) and Ph.D. research programme.

**THEME**

The objective of this state level seminar is to bring together academicians, research scholars, students & industrialists on a common platform to enlighten on "Recent Trends in Pharma Industry" in divergent fields of Pharmaceutical Research, Regulatory Affairs, Patent Policy etc. In 2012, the pharmaceutical industry will continue to witness major changes and challenges. Rapid development of the emerging markets, progress in drug research, the rise in generic production, the availability of high potency drugs and innovations in manufacturing processes will substantially modify the global pharmaceutical landscape. In view of this, the seminar definitely will create synergies between industries & research institutions so as to bring together leading experts from various fields of pharma industry on common days, resulting in a rich and rewarding exchange of views & experiences of current status and future possibilities in pharma industry.

**SCHEDULE**

09:30 to 11:00 : Registration & Breakfast  
11:00 to 11:45 : Inauguration & Key note address

12:00 to 01:00 : Session-I  
Dr. Kestor Suvamaparkhi,  
Head, Drug Regulatory Affairs and IPR,  
Boehringer Ingelheim India Pvt. Ltd, Mumbai.  
Topic: Changing regulatory climate for clinical trials in India.  
Lunch Break

01:00 to 02:00 : Lunch Break

02:00 to 03:00 : Session-II  
Dr. Rupali Suvamaparkhi,  
Sr. Manager, IPR,  
Omnicare Health Technologies Ltd, Mumbai.  
Topic: Patent portfolio management:  
Efficient tool for business strategy.  
High Tea

03:00 to 03:15 : High Tea

03:15 to 04:15 : Session-III  
Dr. Vithwas Patil,  
Assistant Director, Intellectual Property,  
Lupin Research Park, Pune.  
Topic: Recent developments in the field of  
Intellectual property practices.

04:15 to 04:45 : Valedictory Function

Registration Fee : Rs. 200  
Date of seminar : 15/10/2011

 Illuminating lives through quality education.

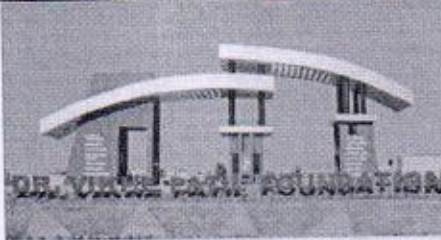

Savitribai Phule Pune University, Pune  
 Sponsored One Day State Level Seminar on

**Recent Advances in Management of Type 2 Diabetes Mellitus (T2DM) and its Complications.**

17<sup>th</sup> November 2017

Organized by  
**Dr. Vithalrao Vikhe Patil Foundation's**  
**College of Pharmacy**  
 Ahmednagar-414 111 (M.S.) India

**"We Pharmacists Caring The People Globally"**

**ABOUT FOUNDATION**  
 Dr. Vithalrao Vikhe Patil Foundation was established in 1962. To fulfil the visionary thoughts of Pannashree, his worthy son Late Hon. Dr. Deekshabai Vikhe Patil (Padmashree Awardee), Former union minister, Govt. of India, has started number of institutes in rural areas in the field of Engineering, Management, Agriculture, Pharmacy and Medical Sciences.

**INSTITUTIONAL PROFILE**  
 Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy was established in 1994, with a 4 year degree course in Pharmacy (B.Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Science to the future pharmacists. At present the institute also offers Post Graduate Course M. Pharm. (Pharmaceutical Chemistry, QAT, Pharmacology & Pharmaceutics) and Ph.D. research programme.

**THEME**  
 Diabetes mellitus is one of the most common non-communicable diseases affecting a large number of populations. WHO estimates about 350 million people in the world have diabetes, with direct cause of some 1.5 million deaths. Around 90% of people with diabetes have type 2 diabetes mellitus. From the onset of the disease until the symptoms develop, many people with undiagnosed diabetes already have complications such as chronic kidney disease, heart failure, retinopathy and neuropathy. Early detection, diagnosis and cost-effective treatments can save lives and prevent or significantly delay devastating diabetes-related complications. Looking into this need, an attempt is being made through this seminar to bring together the practicing physicians, scientists and researchers to discuss the recent concerns, approaches, future strategies in the management and research in type 2 diabetes mellitus.

**OBJECTIVES**

- To promote exchange of the best clinical practices and cutting edge research in diabetes.
- Understanding molecular mechanisms of Diabetes Mellitus and Metabolic Diseases as a part of Experimental Diabetes.
- Strategies for exploring new approaches in identifying targets in anti-diabetic research.
- Approaches for management of complications of Type 2 Diabetes Mellitus.

**SCHEDULE**

09:00 am	to	10:30 am	Registration and Breakfast
10:30 am	to	11:30 am	Inaugural function and Keynote address
11:00 am	to	12:00 pm	Lecture 1
12:30 pm	to	01:00 pm	Lecture 2
01:00 pm	to	02:30 pm	Lunch Break
02:30 pm	to	03:30 pm	Lecture 3
03:30 pm	to	04:00 pm	Valedictory Function

**ABOUT FOUNDATION**

Dr. Vitthalrao Vikhe Patil Foundation was established in 1982. To carry the visionary thoughts of Padmashree, his worthy son Late Shri. Dr. Balakrishna Vikhe Patil (Padmashree) (Rajyashree), former union minister Govt. of India, has started number of institutes in rural areas in the field of Engineering, Management, Agriculture, Pharmacy and Medical Sciences.

**INSTITUTIONAL PROFILE**

Dr. Vitthalrao Vikhe Patil Foundation's College of Pharmacy was established in 1994 with a 4 year degree course in Pharmacy (B.Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Science to the future placement. At present the institute also offers post graduate course M.Pharm (Pharmaceutical Chemistry, PQA, Pharmacology & Pharmaceutics) and Ph.D. research Program in Pharmaceutical Chemistry.

**THEME**

The twenty-first century will be the century of knowledge, indeed the century of the intellect. A nation's ability to translate knowledge into wealth and social good through innovations will determine its future. Thus innovations hold the key to the creation as well as processing of knowledge. Intellectual property can be characterized as the property in ideas or their expression. It is a creation of the mind which protects the rights of individuals and businesses who have transformed their ideas into a monopoly by granting rights to the owners of those properties. Intellectual property can be classified into the following four categories: patents for inventions, copyrights for literary works, trademarks, and trade secrets. In recent years India has made robust progress not only in implementing its obligations under the WTO Agreement on TRIPS Rights, but also in developing its own IP regime which endeavors to balance the trade-off between monopoly rights and free access to knowledge. Although no new IP laws have been enacted over the last year, it would be wrong to say that there have been no parliamentary developments with respect to intellectual property.

**What you Learn... ???**

The lecture focuses on issues like what is the most important IP development in India over the past 12 months? How are India's laws evolving to protect IP domestically? How is IP case law developing in India, such as in the case of pharmaceutical patents? What further legislation is necessary to bring India's IP regime up to international standards and recent efforts have been made to improve enforcement of IP legislation in India?

**SCHEDULE**

Registration and Breakfast	9.30 am to 10.30 am
Inaugural Function & Keynote Address	11.00 am to 12.00 pm
Lecture 1	12.00 pm to 1.00 pm

*"We Pharmacists Caring The People Globally"*

**ABOUT FOUNDATION**

Dr. Vithalrao Vikhe Patil Foundation was established in 1982. To fulfil the visionary thoughts of Parmashree, his worthy son Late Hon. Dr. Balasaheb Vikhe Patil (Padmashri, Padma Bhushan Awardee), Former union minister, Govt. of India, has started number of institutes in rural area in the field of Engineering, Management, Agriculture, Pharmacy and Medical Sciences.

**INSTITUTIONAL PROFILE**

Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy was established in 1994, with a 4 year degree course in Pharmacy (B. Pharm) with an aim to impart quality research and industry oriented education for excellence in the field of Pharmaceutical Sciences to the future pharmacist. At present the institute also offers post graduate course M.Pharm (Pharmaceutical Chemistry, POA, Pharmacology & Pharmaceutics) and Ph.D. research Program in Pharmaceutical Chemistry.

**THEME**

Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy is conducting Faculty Training Program "Hands on Training on discovery microwave synthesizer and FTIR spectrophotometer with introduction to benchtop NMR spectrophotometer".

The program intends to bridge the gap between academic training and industry needs in the area of pharmaceutical sciences. It is designed to train postgraduate students, researchers and academicians. The tentative program consist of lectures and hands on practical which is intended to provide a clear understanding of theory, research techniques and methodologies involved in organic synthesis and structural elucidation.

Participants will explore the training sessions on instruments like discovery microwave synthesizer and FTIR spectrophotometer with introduction to benchtop NMR spectrophotometer. This program will provide immense practical knowledge about advance discovery microwave synthesizer and FTIR spectrophotometer which set a platform those who wants to work in the area of drug discovery.

**OBJECTIVES**

- To provide hands on training on Discovery Microwave synthesizer and FTIR Spectrophotometer
- To train the participants for essential knowledge required in the area of Drug Discovery process.
- To impart skill to handle sophisticated instrument.

**ELIGIBILITY**  
Faculty and Research scholar

**IMPORTANT INFORMATION**

- Maximum 40 seats limited.
- Registration fees - Rs 200 (including lunch)
- Certificate of participation will be provided to registered candidates

**SCHEDULE**

• Registration	- 9.30 am to 10.00 am
• Inauguration and Welcome	- 10.00 am to 10.15 am
• Session 1	- 10.15 am to 11.15 am
• Session 2	- 11.15 am to 12.15 pm
• Session 3	- 12.15 pm to 1.15 pm
• Lunch Break	- 1.15 pm to 2.00 pm
• Hands on training	- 2.00 pm to 5.00 pm
• Valedictory Function	- 5.00 pm to 5.15 pm

<b>Title</b>	:	<b>Two Days State Level Seminar on "Quality Assurance of Herbal Medicinal Products: Past, Present &amp; Future"</b>		
<b>Funding Agency</b>	:	Savitribai Phule Pune University, Pune		
<b>Name of Program Director</b>	:	Prof. A. P. Deshpande		
<b>Date</b>	:	6 <sup>th</sup> February 2020 to 7 <sup>th</sup> February 2020	Venue	Seminar Hall
<b>Number of delegates</b>	:	116		
<b>Summary/ Brief Report</b>	:	<p>Herbal medicines have long earned reputation as "the people's medicines" because of their easy accessibility, safety, and the ease with which they are prepared. Generally it is believed that the risk associated with herbal drugs is very less, but reports on serious reactions are indicating the need for stringent government regulation which is crucially important to ensure the quality, efficacy and safety of herbal products was the highlight of the seminar.</p> <p>During these two days of seminar different aspects of phytochemical and pharmacological researches on medicinal plants and herbal medicines and efforts which are being made to isolate and identify their active chemical constituents and to substantiate the claims of their efficacy and safety were discussed. Eminent speakers highlight future prospects of herbal medicines and their products and how they may emerge as good substitutes or better alternatives for synthetic chemicals-based allopathic drugs or may even replace them.</p> <p>The inauguration of program was done by respected dais by doing Saraswati Poojan. Keynote address was given by Dr. M. G. Kalaskar.</p>		
<b>Schedule</b>	:	<b>Sr. No.</b>	<b>Topic Name</b>	<b>Speaker</b>

"We Pharmacists Caring The People Globally"

**ABOUT FOUNDATION**  
Dr. Vithalrao Vikhe Patil Foundation was established in 1962 to fulfil the visionary thought of Dr. Vithalrao Vikhe Patil (Former Minister, Government of India) has started several educational institutions in rural areas in the field of Engineering, Pharmacy, Management, Agricultural and Medical Sciences to uplift the rural masses.

**INSTITUTIONAL PROFILE**  
Dr. Vithalrao Vikhe Patil Foundation's College of Pharmacy was established in 1994 with a four year degree course in pharmacy (B. Pharm.) with aim to impart quality, research and industry oriented education for excellence in the field of Pharmaceutical Sciences to the future Pharmacists. At present the institute offers post graduate course in four specializations (M. Pharm.) Pharmaceutical Chemistry, Pharmacokinetics, Pharmaceutical Quality Assurance, Pharmacology and Ph.D. Research program. The Institute is accredited by NAAC with Grade 'B' and Permanently affiliated with Savitribai Phule Pune University.

**SEMINAR THEME**  
Herbal drugs are commonly used in various civilizations of the world. The popularity of the herbal treatment in the past decades, probably, due to increase in allopathic drug prices and due to their adverse reactions in India, people are often using herbal products especially in the rural areas because of availability, affordability and safety. Herbal products are safer and harmless but need of these products concerned Toxic and lethal concentration of toxic heavy metals in the heavy metals and other toxic contaminants in herbal medicines may occur due to polluted environment in which the medicinal plants grow. The storage conditions or during manufacturing of the final dosage form the purpose of this seminar is to discuss importance of quality control and quality assurance of herbal medicine products. Quality assurance (QA) is a method that is defined as all those planned and systematic actions required to provide assurance that a product will satisfy given requirements for quality. Herbal drugs have been used since ancient times as medicines for the treatment of a large of diseases. Medicinal plants have played a key role in health benefits.

**"We Pharmacists Caring The People Globally"**

**OBJECTIVE**  
The main objective behind seminar is to provide information and new ideas for future activities to improve quality of herbal products. To assist teachers and students in emerging in use of herbal medicinal products, to visit teachers and students in traditional context and to have knowledge of herbal medicines.

**SCHEDULE**

**Day-I**  
09:30 to 10:00 : Registration Fee  
10:30 to 11:00 : Inauguration  
11:00 to 11:30 : Key Note

## COLLEGE ANNUAL REPORT 2015-16

**Preamble:** College of Pharmacy under the aegis of Dr. Vithalrao Vikhe Patil Foundation has been established in the year 1994 for the conduct of B. Pharm. course initially with 40 intake capacity. The institute now offers B. Pharmacy course with 60 intake, P.G. course, M. Pharm. ( Pharm. Chem.), (Quality Assurance Techniques) (Pharmacology) & (Pharmaceutics) with intake capacity of 18 seats for each specialization , Our institute is also a recognized research centre by University of Pune to offer Ph.D. Program & it is the only one in Ahmednagar district.

The institute is permanently affiliated to Savitribai Phule Pune University, approved by A.I.C.T.E. New Delhi, P.C.I., New Delhi, & recognized by UGC under section 2 (f) of UGC act 1948. The institute now has been recognized under sec 12(B) of UGC Act 1948 from March 2016.

**Academics:** All the courses are conducted as per the circular, directives issued by Savitribai Phule Pune University. The academic session 2015-2016 commenced from 16<sup>th</sup> June 2015. The annual examination results were declared by University of Pune on 22<sup>nd</sup> June 2015 the detail result is as follows;

### **B.Pharm.**

First Year B. Pharm. - 91.80%

Second Year B. Pharm. - 96.82 %

Third Year B. Pharm. - 98.43%

Final Year B. Pharm. - 80.30%

### **M.Pharm.**

M. Pharm. (Chem. Q.A.T., Pharmacology & Pharmaceutics) - 100 %

### **Ph. D. Program.**

Our institute is a University recognized Ph. D. research centre from 2011-12 and till today 07 research scholars are pursuing their Ph. D. research in Pharmaceutical Chemistry at our research centre. For current academic year 05 students were admitted by university at our centre for Ph. D. program.

**Admission Status:**

Name of the Programme	Programme Specialization	Sanction Intake	Students Enrolled
BPharm	F.Y. B.Pharm	60	62
MPharm	F.Y. Pharmaceutical Chemistry	18	13
MPharm	F.Y. Pharmaceutical Quality Assurance	18	08
MPharm	F.Y. Pharmaceutics	18	10
MPharm	F.Y. Pharmacology	18	03
PhD	Ph.D (Pharmaceutical Chemistry)	10	10

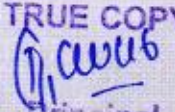

**Induction Program:** First year classes, commenced from 28<sup>th</sup> July 2015. It was followed by "Teacher students-Parents meet" for first year B.Pharm & M.Pharm students along with their parents where an interactive session with staff members dealing with first year students was arranged. The institute has already constituted an anti ragging squad. In our institute to monitor the academic performance of the student 20 students have been allotted to each faculty who takes care of the attendance, academic performance & counseling of the weaker students. The guardian faculty (mentor) is regularly in touch with the parents of respective students and keeps them well aware with the performance of his ward in the institute.

**Guest lectures:** To give the current up-dates to our students the institute had arranged 22 guest lecturers of eminent personalities from pharmacy discipline, management -disciplines, medical-discipline and others.

**Professional Development Programs Organized by the Institute:**

Year	Title of the professional development programme organized for teaching staff	Dates: From - To	No. of participants
2015-2016	One Day State level seminar on "Advanced Analytical Techniques and Quality Control: An Approach to Evaluation of Botanicals"	11 <sup>th</sup> Feb. 2016	74
2015-2016	One Day Workshop on "Bioorganic Chemistry and Drug Design"	26 <sup>th</sup> Feb. 2016	113

**Teachers provided with financial support to attend conference/workshops and towards membership fee of professional bodies for the year 2015-16**

Year	Name of teacher	Name of Conference/workshop attended for which financial support was provided
2015-16	Prof. R.L.Sawant	Kendray Lekha Parishan purvniyojan karyshala
2015-16	Prof.A.K.Nangare	One day Faculty orientation Workshop on "Understanding API Technology" as per Savitribai Phule Pune University, T.Y. B.Pharm curriculum
2015-16	Prof .S.A. Hapse	One day workshop on " Graduation Ceremony"
2015-16	Prof.S.B. Kakad	State Level seminar on "Current Pharmacy practices and Innovation in Pharmaceutical Technology"

**Grants/ Funds:** Institute has received grant/funds worth Rs 11.74 lakhs from various funding agencies for the year 2015-16.

**Publication Details:** Till date a total of 311 research articles and 04books have been published by the faculty in various national and international journals & 01 Patents are at the credit of our faculty. During the year 2015-2016, 45papers were published by our faculty members. One book is at the credit of our faculty.

**Research Projects:** 1 major and 1 minor research projects has been successfully completed in our college under different faculty members in different departments during year 2015-16 and 7 projects are ongoing.

**Students Research Activities:** At zonal level competition organized by Savitribai Phule Pune University, 31 research papers were presented by our students in the innovation competition "Avishkar" organized by University on 09 October 2014. Out of this 07 research papers were selected for university level, apart from that students also participated in other scientific competitions organized by various agencies and colleges.

- M. Pharm. thesis of our post graduate student Mr. Pawa Karan (M. Pharm. Pharmaceutical Chemistry) was awarded best thesis at national level in R. V. Patel innovative thesis competition, Ahmedabad (2015-16)
- Mr. Ganesh Barkade (Final Year B. Pharm.) was awarded the prize for best scientific poster by MET Bhubjal Knowledge City, Nashik (2015-16)
- Mr. Yuraj Autade (Final Year B. Pharm.) received first prize at state level paper presentation competition organized by HSBPVT's Parikarama college of pharmacy, kashti (2015-16)

### COLLEGE ANNUAL REPORT 2017-18

**Preamble:** College of Pharmacy under the aegis of Dr. Vithalrao Vikhe Patil Foundation has been established in the year 1994 for the conduct of B. Pharm. course initially with 40 intake capacity. The institute now offers B. Pharmacy course with 60 intake, P.G. course, M. Pharm. ( Pharm. Chem.), (Quality Assurance Techniques) (Pharmacology) & (Pharmaceutics) with intake capacity of 18 seats for each specialization , Our institute is also a recognized research centre by University of Pune to offer Ph.D. Program & it is the only one in Ahmednagar district.

The institute is permanently affiliated to Savitribai Phule Pune University, approved by A.I.C.T.E. New Delhi, P.C.I., New Delhi, & recognized by UGC under section 2 (f) and 12(B) of UGC Act 1948.

**Academics:** All the courses are conducted as per the circular, directives issued by Savitribai Phule Pune University. The academic session 2017-2018 commenced from 19<sup>th</sup> June 2017. The annual examination results were declared by Savitribai Phule Pune University on 22<sup>nd</sup> June 2017 the detail result is as follows;

#### **B.Pharm.**

First Year B. Pharm. - 87.71%

Second Year B. Pharm. - 94.02 %

Third Year B. Pharm. - 98.27%

Final Year B. Pharm. - 96.92%

#### **M.Pharm.**

M. Pharm. (Chem. Q.A.T. , Pharmacology & Pharmaceutics) - 100 %

#### **Ph. D. Program.**

Our institute is a University recognized Ph. D. research centre from 2011-12 and till today 10 research scholars are pursuing their Ph. D. research in Pharmaceutical Chemistry at our research centre.

#### **Admission Status:**

Name of the Programme	Programme Specialization	Sanctioned Intake	Students Enrolled
B.Pharm	F.Y.B.Pharm	60	61
M. Pharm	F.Y.Pharmaceutical Chemistry	15	14
MPharm	F.Y.Pharmaceutical Quality Assurance	15	13
